## [Click here to get \\$100 free paypal money instantly](#)

the cheapest way to send money internationally is to transfer funds directly from your bank account to a recipient's bank account most transfer services charge additional fees for debit card or credit card payments and cash pickups credit card payments will incur additional charges from your credit card provider

**you would not have to click on the ad for getting paid just leave the phone aside it will play automatically and you will get paid for it just unlock it whenever you want to use your phone you will not see the ad and can use it normally they pay you 5 a month which means 60 a year not bad for doing nothing**

**you can earn around 125 per hour and all you need to do is answer the questions obviously you have to give more time and the work is relatively more as compared to the other survey sites but the payouts are also high all the money you earn gets transferred to your paypal account and you can withdraw them whenever you want**

it is a rewards and health app that lets you earn money by just walking this site gives you the inspiration to get out of your house and take a walk in fact it can be the perfect way to earn money if you spend most of the day on your feet they pay you based on your step count this means the more you walk the more you can earn

it is a computer and mobile panel app that pays you around 50 yearly just to operate or run it on your phone or desktop background you can use your internet the way you do it every day all you need to do is register with nielsen and they will pay you 50 just for installing it every year this might sound a little weird but this site is 100 legit
